

BE IN THE KNOW, 2017 – 2018

Be in the Know encourages you to have a biometric screening once per campaign year. You do not need to complete another biometric screening if you already participated at one of our previous screening events (October 9 – December 4, 2017, March 15 – 19, 2018, or May 8, 2018), or previously submitted your personal results to AREUFIT on or after September 1, 2017. Participants will only receive credit for one biometric screening during this year's *Be in the Know* campaign, which runs September 1, 2017 – August 31, 2018.
