Influences on Metabolism
and Obesity*

Pediatric Sleep Apnea

OCTOBER 31, 2018 CAROLE MARCUS SYMPOSIUM

CHOP and PENN are partnering for a symposium on "Future of Sleep/Circadian Research in Pediatrics" honoring the memory and academic achievements of our colleague Dr. Carole Marcus.

Many of Dr. Marcus' colleagues from CHOP and PENN will contribute, but speakers will also include former trainees, collaborators, and leaders from across the country. The organizing committee is excited about honoring the memory and scholarly legacy of Dr. Marcus at CHOP's Colket Translational Research Building on *October 31, 2018 8:00am – 5:30pm (wine and cheese reception to follow)*.

Registration Required:
