Certificate and Master in Healthcare Quality & Safety

Improve healthcare right here, right now.

The Penn CHIPS capstone project is a chance to lead crucial change in your workplace, with guidance from experts in quality improvement and patient safety on a flexible timeline.

The Certificate in Healthcare Quality & Safety is

designed for individuals who are interested in acquiring a robust foundation in the science of quality improvement and patient safety.

The Master in Healthcare Quality & Safety is

designed for individuals who are interested in pursuing a career focused on quality & safety leadership – locally, regionally or nationally – and desire more in-depth education.

Application Process:

A completed application which includes a curriculum vitae, personal statement, two letters of recommendation (for Fellows: one from your program director and one from a leader in quality and safety in your division/department), unofficial transcripts, and a \$75 application fee are required.

Applications for fellows are due by 11/30/2021.

All other applications are due 3/1/2022
