

# OTHER SUPPORT / CURRENT AND PENDING TOOL

Access the tool at <https://apps.research.upenn.edu/>

Access the training at <https://researchservices.upenn.edu/using-penns-other-support-tool/>

## View Aggregated Data

Aggregate data available in Penn systems that report research, including PennERA, RIS and the forthcoming COI and outside activity reporting system

## Selectively Manage Content

Allow researchers to manage the information and make decisions about what to report to the sponsoring agency

## Add Reportable Activities

Provide a means for researchers to add reportable activities to their profile for current and future use

## Generate Sponsor Reports

Produce a report of the information in the correct sponsor format, including options for NIH, NSF, DOD, DOE, USDA, and Generic

*\*System also stores contracts for outside activities, if provided*
