

PENNVIEW POSTDOCTORAL DIVERSITY INITIATIVE

We are glad to report that we will now host PennVIEW 2022 as a hybrid event on June 13th-14th, 2022!!

HOSTED BY PENNVIEW

The PennVIEW Postdoctoral Diversity Initiative is an opportunity to expose graduate doctoral candidates in the Biomedical Sciences to postdoctoral research at the University of Pennsylvania. The purpose of this initiative is to provide candidates with a first-hand look at Penn and to consider whether a postdoctoral position at Penn would be a good fit for them. Our goal is to match trainees with excellent mentors at the School of Medicine.
