

“All Penn” Summer Physical Activity Challenge: June 1 – September 2, 2022

- This summer, join your Penn colleagues (both Penn Medicine and University of Pennsylvania employees) to get active and track your active minutes!
- **Goals for the Penn Moves challenge:**
 - **Move:** *Be active throughout the day and track your progress. Submit active minutes to help us tally total minutes during the challenge.*
 - **Learn:** *Discover available resources to move more throughout the day.*
 - **Share:** *Connect with colleagues at outdoor events and with social media!*
- **How to get started:** Set a “Move” goal, get active, and track active minutes starting June 1.
- **To submit your tracked minutes:**
 - **Penn Medicine employees:** Submit active minutes using the [Penn Moves submission form](#), also available on the [Limeade platform](#) for UPHS employees.
 - **University employees – available options:**
 - [Virgin Pulse platform](#): With a connected device, upload your active minutes every week, using the mobile app. For manual entry, use the “WORKOUTS” tracker (found under Home/Stats), choose “log a workout”, select your activity, enter your time in “minutes”, and click “SAVE”.
 - [Penn Moves submission form](#): If not enrolled on the Virgin Pulse platform, submit your active minutes using this form, also available on the [Penn Healthy You](#) website.
- **Need motivation?** Check out “Learn” resources, including Penn wellness platforms, free fitness classes and events, facilities, discounts, and more – plus available apps, information, and tools to enhance your activity minutes this summer.
- **Enhance social well-being, too!** “Share” the journey with colleagues at our outdoor fitness events and using social media! Watch for upcoming communications.
- **For more information:**
