

Stacey R. Rose, MD, MEd: Medical Director of Undergraduate Medical Education Standardized Patient Curriculum

Assistant Professor of Pediatrics
Attending Physician in the Division of General Pediatrics
Children's Hospital of Philadelphia

In this role, Dr. Rose will serve as the content expert for the Standardized Patient Program courses and programming within the integrated 4-year curriculum, reporting jointly to the Associate Dean for Clinical and Health System Sciences, the Associate Dean for UME Science and Discovery Curriculum, and the Associate Dean for Evaluation and Assessment.

Flint Y. Wang, MD, Director of Undergraduate Medical Education Health Information Technology Curriculum

Assistant Professor of Clinical Medicine, Section of Hospital Medicine
Measey Medical Education Faculty
Education Lead Physician, Martin Hospitalist Rotation
IT/Handoff Lead Physician, Internal Medicine Residency Program
Hospital of the University of Pennsylvania

In this role, Dr. Wang will serve as the content expert for the Health Information Technology Curriculum including its courses and programming within the integrated 4-year curriculum, reporting to both the Associate Dean for Clinical and Health System Sciences and the Associate Dean for UME Science and Discovery Curriculum.

Tiffany Ng Chao, MD, MEd, Measey STeP to Residency Co-Director

Assistant Professor of Otorhinolaryngology: Head and Neck Surgery
Assistant Program Director, Residency Program
Hospital of the University of Pennsylvania

and

Anna K. Weiss, MD, MEd, Measey STeP to Residency Co-Director

Assistant Professor of Pediatrics
Attending Physician of Emergency Pediatrics
Director of Pediatric Resident Education in the Emergency Department
Director of Emergency Medicine FLOC Deployment
Children's Hospital of Philadelphia

The Measey STeP to Residency Program Co-Directors will be responsible for creating, implementing, and evaluating the Measey STeP to Residency Program, reporting to the Associate Dean for Clinical and Health System Sciences, the Associate Dean for Student Success and Professional Development, and the Senior Vice Dean for Medical Education.

The ten faculty below are joining the team of Advisory Deans. Advisory Deans serve as longitudinal medical student advisors, coaches, and advocates. They are the initial touchpoint directing students to school resources. They help promote student wellness and serve as an early warning system for student issues. Advisory deans will also coach their students throughout medical school, including as part of the Measey STeP to Residency Program. Each Advisory Dean will be assigned to approximately 10% of the student body.
