

Call for Applications and Info Session Registration

CERTIFICATE IN HEALTHCARE QUALITY & SAFETY

The Certificate in Healthcare Quality & Safety is a two year program designed for individuals who are interested in acquiring a robust foundation in the science of quality improvement and patient safety.

MASTER IN HEALTHCARE QUALITY & SAFETY

The Master in Healthcare Quality & Safety is designed for individuals who are interested in pursuing a career focused on quality & safety leadership - locally, regionally or nationally - and desire more in-depth education.

MSHP + CONCENTRATION IN HEALTHCARE QUALITY AND SAFETY

The Master of Science in Health Policy Research with a Concentration in Healthcare Quality and Safety (MSHP + HQS Concentration) is a two-year program that combines health services research and policy training with formal and experiential training in quality improvement and patient safety methods.

Play a part in optimizing patient care at Penn or CHOP while learning from experts in healthcare quality & safety.

Fellows applications and MSHP deadline is 11/30/2022.

All other applications (faculty, physicians, nurses, and staff) are due 3/1/2023.

Questions? CHIPS@penmedicine.upenn.edu

🗨 PennCHIPS provides access to an incredible community of thought leaders—from whom I learned a great deal about safe, reliable, effective, and equitable healthcare delivery. I am so grateful for the tangible skills and experience I gained from the CHIPS Program.

– Meghan Galligan, MD, MSHP, PennCHIPS Graduate
