

Outstanding New Environmental Scientist (ONES) Award

National Institute of Environmental Health Sciences (NIEHS)

The Center of Excellence in Environmental Toxicology (CEET) is now accepting applications, on behalf of the PSOM, for the NIEHS ONES Award.

- Open to Early-Stage Investigators as defined by NIH.
- Applications must have a defined impact on the environmental health sciences and be responsive to the mission of the NIEHS.
- Limited Submission Opportunity - only one application within PSOM is allowed. CEET will select the PSOM nominee and provide a Letter of Support.

Applicants should submit a one-page Specific Aims and NIH Biosketch to Jenn Kuklinski (jkuklins@pennmedicine.upenn.edu) by December 30, 2022

- Selected PSOM applicant will be notified prior to **January 20, 2023**
- NIEHS Letter of Intent Due : **January 24, 2023**
- NIEHS Application Due : **February 24, 2023**
