

ITMAT EDUCATION PROGRAMS REQUEST FOR APPLICATIONS

The annual request for applications for our education programs in clinical, translational, entrepreneurial, and regulatory science has opened.

**Applications due Dec 1, 2022
for 2023 admission and appointments**

ITMAT Education offers [funded educational programs](#) via the NIH CTSA TL1 Grant for:

Predocctoral Students (MD, VMD, DMD and PhD students)

Postdoctoral Trainees (GME Trainees and Postdoctoral PhDs)

Eligible Education Programs

Visit each program link for requirements and instructions

[Certificate Program in Regulatory, Translational, or Entrepreneurial Science](#)

[Master of Science in Regulatory Science \(MSRS\)](#)

[Master of Science in Translational Research \(MSTR\)](#)

We encourage the submission of applications where the research question is oriented through a health equity lens and seek to attract an inclusive and diverse student body.

Prospective applicants are welcome to schedule a one-on-one to discuss program options, funding eligibility, as well as to obtain feedback on your application.

Contact Megan Maxwell, MSW mmaxwell@upenn.edu to schedule.
