

Please join us for a
Celebration of an Amazing Life
as we remember

Dr. Helen Conrad Davies

Helen was a long-time professor, mentor, trailblazer, institution builder, activist, faithful college house resident, friend, family member, and loving mother.

We hope you can join us on
Sunday May 14th at 1:30pm EST
in The Class of '49 Auditorium in Historic Houston Hall
on the campus of the University of Pennsylvania.

If you can't make it, the ceremony will be recorded and shared afterwards.

We also invite you to share a memory or reflection about Helen on the online tribute wall found [here](#)

If you have any questions about the ceremony, please feel free to contact Chaz Howard, University Chaplain and Vice President for Social Equity & Community, at choward@upenn.edu

***Please feel free to share this invitation with any and all whom you think would like to attend and celebrate Helen.*
