

Summer 2023

# Safety and Quality Leadership in Healthcare Systems (1.0CU)

## Hybrid Course

### May 23 - June 29, 2023

#### Course Topics Include:

- Personal Leadership Styles
- Lessons in Leadership
- Leading a Team
- Organizational Leadership
- Negotiation Skills
- Personal resilience

#### Course Director:

**Daniel Hyman, MD, MMM**  
**Chief Safety and Quality**  
**Officer, CHOP**

#### Format:

This course is specifically designed to meet the needs of busy healthcare providers and staff. You will participate in 6 weeks of classes on Tuesday evenings (5:15-8:00) and Thursday afternoons (1:45-4:30), both virtually and in person.

Course can be taken as a standalone, outside the enrollment of a formal program.  
Tuition benefits may be applied.
