

HUMAN GENOMIC DIVERSITY AND MEDICINE:

*Challenges and Solutions to
 Reduce Health Disparities*

Monday, May 22 to Tuesday, May 23, 2023 | 12:00 - 4:30 PM
 Smilow Center for Translational Research Auditorium

Francesca Luca, PhD
 Wayne State University

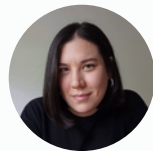

Sandra Soo-Jin Lee, PhD
 Columbia University

Li-San Wang, PhD
 University of Pennsylvania

Dana C. Crawford, PhD
 Case Western Reserve University

Genevieve L. Wojcik, PhD, MHS
 Johns Hopkins Bloomberg
 School of Public Health

Dorothy E. Roberts, JD
 University of Pennsylvania

Scott M. Williams, PhD
 Case Western Reserve University

Shefali Setia Verma, PhD
 University of Pennsylvania

Iain Mathieson, PhD
 University of Pennsylvania

Vence L. Bonham, Jr., JD
 National Human Genome
 Research Institute

Akinyemi Oni-Orisan, PharmD, PhD
 University of California
 San Francisco

John Novembre, PhD
 The University of Chicago
