<p><i>Please type:</i> Name of Nominee: _____ Academic Title: _____ Institutional Address: _____ _____</p>
--

Please provide the following information and return it together with this nomination form:

1. A nomination letter in support, preferably less than 1,000 words, of the research on which this nomination is based and its significance in the field of circulatory diseases.
2. A brief biographical sketch of the nominee (NIH format, 4pages – see [www.nih.gov](http://www.nih.gov)).
3. The nominee's most significant publications related to the research noted under Item 1, and the reason for their significance.
4. An outline of the proposed research and/or academic activities (seminars, discussions) to be carried out at McGill and the names of potential McGill correspondents and host laboratories. A one to two-week residence at McGill University during the academic year should be considered by the nominee.
5. A full Curriculum Vitae, including training, positions held and awards received by the nominee and, if available and applicable, a summary of grant funding, including amounts, during the last five years and a complete listing of the nominee's publications (please omit abstracts).
